Celebrate in nature, enrich a community

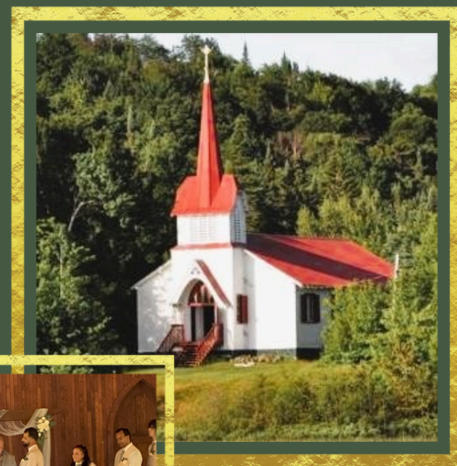

When you book Kinkora for your wedding or commitment ceremony, you're not just securing a beautiful venue – you're funding life-changing experiences for underserved communities.

Proceeds from private rentals are directly invested back into the Kinkora facilities and programs that serve:

- Youth and families living below the poverty line
- Communities facing particular challenges or limitations
- Adults with intellectual and developmental disabilities

Country Chapel Non-Denominational

The picturesque chapel built in the 1930s sits on a hill just across the lake from main camp. A quick walk across the bridge takes you to this beautiful and highly versatile space, equipped with movable raised platforms, and XX benches for communal seating.

Rustic Reception Space With Commercial Kitchen

Our iconic dining hall combines function with rustic nostalgia. With seating capacity for 250, a commercial grade kitchen, and a log cabin style interior with a large stone fireplace the dining hall is easily transformed into a stunning reception space for your special day. A mix of round and rectangular tables, as well as chairs and benches are available. The hall has two accessible bathrooms, a large adjoining patio, and is equipped for AV requirements.

Stay for the weekend...

Designed as a summer camp, there is sleeping capacity for up to 220 people in our basic camper bunkhouses, for the guests that want to stay up at the bonfire all night, and enjoy a big wedding camp-out.

Or, for a bit more luxury and comfort your guests can take advantage of one of the many cozy Inns and B&Bs in the surrounding Laurentian communities.
